Respect Responsibility Faith Compassion

Attitude to Learning

Outstanding:
High levels of motivation, enthusiasm and a determination to wrestle with the most challenging problems puts you on course to achieve your aspirational grade.

Good:
Considerable effort is put in to your studies and you take pride in your work. You do not give up easily and as a result are on track to achieve your minimum expected grade.

Room for Improvement:
At times a considerable effort is put into your studies that shows you are capable of achieving your minimum expected grade. However this is inconsistent.

Poor:
You are fully capable of being successful but do not make the effort required. Without improved effort and persistence, you are at risk of failing to achieve your minimum expected grade.

Major Concerns:
The disregard shown for your learning and the learning of others means that without serious improvement you will not achieve your minimum expected grade.

Homework

Outstanding:
Homework is always completed on time to the best of your ability.

Good:
Homework is always completed on time and usually represents your best work.

Room for Improvement:
Homework is usually completed on time to an acceptable standard.

Poor:
Homework is regularly either late or does not represent your best work.

Major Concerns:
Homework is not completed.
